

# Students Celebrate Red Ribbon Week

## Our School

"Students in Mrs. Johnson class are taking part in Red Ribbon Week activities, along with all Elementary students. Red Ribbon Week is one of the longest running alcohol and drug prevention awareness campaigns in the nation, and is traditionally celebrated during the last full consecutive week of October."

## How can you participate?

### Things to Do

1. Start the conversation with your children about underage drinking. Visit [www.parentslead.org](http://www.parentslead.org) for tips and tools on how to start that conversation.
2. Have a 'Wear Red Day' for employees.
3. Post Red Ribbons in your yard/business/faith-based organization, etc.
4. Get involved in local substance abuse prevention efforts.

## Best Drawings of the month
